EVERYTHING IS BORN FROM DARKNESS. FROM NOTHING.  
OR ELSE IT WILL BE SOMETHING ALREADY EXISTING.  
AND THAT WOULD GO AGAINST CREATION WHICH IS  
NEVER FINISHED. BECAUSE IT REINVENTS ITSELF.

DARKNESS EATING LIGHT AND LETTING IT PASS THRU  
AS IT DOESN'T UNDERSTAND WHAT IS GOOD FOR IT.

IT'S BLIND. JUST LIKE LIGHT IS.  
ALL INCLUSIVE TRIP

ANYTHING GOES, BUT NOT ALWAYS A GOOD FEELING  
IT DEPENDS. ON THE CONTEXT OF YOUR REALITY  
BEING TRUE OR NOT. IN RELATION TO WHAT IS LOVE?  
MIGHT BE DIFFERENT ON OTHER PLANETS. BUT NOT HERE.  
NO SHAME. NO GUILT. RELATE. EMOTIONALLY = ALL GOOD.

**Kiss My Ass! In derogatory negative energy makes for the biggest confusion of all. As it feels good to be kissed in the ass. By someone willing to do it. And you willing to receive it. In a mature sexual context.**

**And that's alright.**

**Nothing wrong with that.**

**Do it.**

**As you was first an asshole then you became everything else.**

**So in essence it's like kissing yourself. OMG I just heard the entire Universe cheer!**

**!!!YEAH!!!**

**Without shame, guilt, fear.**

**Enjoy yourself together with  
someone in love.**

**Don't destroy another human  
being by doing it against are will.**

**Is everyone in on this?  
You have no choice.**

**But may not prefer it.  
That's your choice.**

**???DO YOU GET THAT???**

**Don't judge. Don't knock it 'til you tried it. Come from experience when you share anything.**

**Or else say, I don't know.**

**So I will not rule that out until I have done some investigations. Which are impartial and open as to this is a good idea or not?**

**Taking everything into account as we value love and wishes to do all things lovingly in relation to each other and not to satisfy a need.**

**Loving all about a woman, loving all about yourself does not make you into anything. Nothing makes you into anything unless you**

**identify with it. And if you do that  
in shame, guilt & ultimately fear.**

**You are trying to tell yourself  
something!**

**Listen, be true.**

**And do you.**

**What people do together are not  
of anyone's business. They can try  
whatever. Have fun doing it is what  
I'm saying. Not like a hungry wolf  
destroying a rose for personal  
pleasure alone..**

**Everything is alright as long as it  
doesn't hurt anyone. And that's**

**always spiritual. So look at what's  
on the table.**

**If it ain't mature yet. Don't eat it.**

**If it's your own family. Don't even  
think about it. But if you do. Let's  
talk. And we can sort this out.  
Before anything happens that  
messes up the entire Universe.**

**All is written. But in oscillation.**

**So we still have the choice to keep  
a steady course.**

**All heart.**

**And thinking about a greater good  
for everyone. Not just ourselves.**

**Deal.**

**The thought behind the judgement  
matters not. It's the general feeling  
that taints the grand perception  
for all.**

**That's how powerful you are with  
your contribution of whatever you  
decide to create.**

**Imagination.. Imagination..**

**That's the world.**

**Every world.**

**Imagined Nation.**

**Many have no borders already.**

**Many are living as one race.**

**Without major problems. Enjoying themselves. But they do not have the same density as earth do.**

**So we have to work hard at understanding we must not work so hard.**

**Hard to get? If you use the problem as a solution. Not accepting God, the unlimited flow of inspiration that just gives upon request.**

**All you gotta do is ask. Believe.  
And receive.**

**Hammer time is over.**

**Now it's homo time.**

**As in homosapiens and not  
anything else.**

**Embrace your nature.**

**It's you.**

**You give this to yourself as things  
get demanding without  
connection.**

**There is no drug in that.**

**It's just a way to relax. You know  
like with alcohol destroying  
families and creating most crap in  
the world. That we endorse as we  
are afraid of God.**

**Afraid of ourselves.**

**Our true selfs.**

**Something that really makes for a great life is water. Do not underestimate water.**

**And when used in conjunction with deep relaxation it can alter states of mind using temperature.**

**Bringing forth what you feel is needed to understand more in relation to yourself.**

**Very sweet.**

**The disbelief falls short over a period of time taking things for**

**granted. And thus a major  
transient must spike in order to  
create a strong reaction.**

**It has to come from seemingly  
nowhere. And that's where I come  
in. Christ.**

**Wuzzup world!**

**I'm here. I am.**

**Here : I am**

**God temporarily personified.**

**As to course correct from previous  
misconduct of the human race.**

**Large font!**

**Being very clear.**

**About what's goin on.. what's goin  
on.. whaaat's goin on...**

**This.**

**On the table now.**

**Presented for you in eagle eye  
neon squid vision.**

**As clear and direct as I could.**

**For you, for me and the entire  
human race.**

**Let's live, level it up!**

**Now..**

**Da next episode.**

**Full of LoveO'rama.**

**Anybody who can't stand that.  
Please get off the carousel now.**

**And sit beside it for a while. Until  
you get grateful and humble  
asking for a fun ride again.**

**Or else you won't get it.**

**You just think you will as it  
momentarily gets you off the  
negativity.**

**Don't use things like that. Or other  
people. Take care.**

**Enjoy.**

**ENJOY.**

**Way more simply without  
resistance.**

**So loose it.**

**Confess all to God and ask for  
freedom regarding everything that  
is holding you back.**

**The wish is done right away.**

**But your cognition must process things in a natural Godspeed way.**

**To be able to create understanding.**

**Or else there won't be a point at all. And the point is to know Love.**

**Know God.**

**By loving and believing in yourself.**

**Faith in Love.**

**You are Love.**

**You are God.**

**Believe that.**

***Life is not all about sex.***

***That's very superficial and not very spiritual at all. But it's alright to have it together with spirit. Like an animal.***

***Because you are that to.  
Switch off to switch on.***

***Correct yourself.***
