

Daddy boy.

You can come to realize something as of right now. Like: Ah! I got it! Hahahah!

And that's self realization.

A part of it. I ain't done.. nobody is.

You can always realize more. And the funny thing about it is that it gets easier as in more simplistic. Not more technical taking you out in space. Home is where the heart is. So you gotta be best friends with it.

Best friends with love! 💖

If you are stuck in affirming a superficial/material image of yourself you are already living on Mars. Truth be told.

The very end of my eyelash hair is what I affirm lastly. I come from home 🇺🇸 I am home made 🙌

Konnichiwa! Gold soul poké bowl! Arigato.

Right now. As I am recording this video. I have about 3-4 meals of food. I have bo money and I am late paying my rent by two months. My family is not speaking to be in fear of their own truth. And I work for love continuously all for free giving all for free.

And I am @ peace. No worries 🕊

Because I trust self. I am on my path like a muthalovva! 😊 Anything that happens is good. Because it's what I need. I continue to do what's right. I give all love. And I know love. Super well. We are besteez! 💖👼💖

I will receive what's coming. Without a doubt. I feel deserving of greatness. I know I am worthy of it as well. What could possibly go wrong? Ya feel me? Just stay in peace.

The release is all about where I am and that's who I choose to be. So the heart and mind won't give as to release me if I haven't done the job. So I do the job! The heart is boss. The mind is loyal and humble servant.

I just go along for the ride. And enjoy the experience. Hahahaha! 🪐🌊🪐

Tell yourself what you want and you will receive what you need. That's fair! As to make things as good as possible in relation to spiritual maturity. Great design!

From the greatest artist ever without any competition!

🕊️🌸 God 🌸🕊️

Doing what hurts you makes you feel. And to feel is to live. It's alright to make yourself feel good. As to make yourself feel good about yourself. You get what you give.

The heart is blind. So it needs you too.. to give yourself true love. And not something shady yet calling it that.. my sun 🌞

Be honest 😊 Be a dear

My love, my angel 🌸

Word from Aline 😘

The only pain you wish to escape is the subjective pain. So welcome it. Say hello, what are you about? Let it express itself in freedom. And it gets loved away.

The heart will cave in before rebirth, as it rids itself of all of what was.. When allowed in faith - On Coarse. Don't fear dying to yourself. It's all good 🌸 But it hurts to say goodbye 😞😂😘 Silly.. It's all conceptual.

Just die already! Hahaha 😊 Becoming is actually self creation but letting go mostly.

Returning back to default. Pure Love 💖

Natural Godspeed timing. Allow for it to happen.. Don't escape (no pleasuring, whatsoever). Don't stress.

Accept what is so that it may be.

Take walks, rest, eat food, drink water.

And Julmust 👍

If I don't do this now. I will suffer biggest consequence of all. Ending life existence.

Wu Wei 🕊️🐙🌌🌀🕊️👉🌸💖😊

..must love all darkness.. or else we die.

Da fingaz on da trigga. Better make way 4 anotha str8 hug wigga!

"I don't want this!" Is an energy investment. You feed what you do not want. So just be.

I wish to feel as good as I possibly can!

.. nothing is impossible. Darkness does not exist. All is light! Nothing is nothing.. don't give it a name or structure. It's nothing.. so nothing to fear. As we fear what we cannot see in darkness of empty space. Light does not go thru darkness. There is nothing to go thru. Just allow for in all honesty. But we suffer as many hold on to what does not exist in fear of dying to self. Which is scary an real when the material is all you know.

Then dying to yourself (true self) makes no sense. As you are not sensei of your own experience. No humble master. And unfortunately (fortune=value) you die physically for that stress as you fail to feel worthy of your own existence. From mistreating love and lying about it. What is needed is forgiveness. Which can only come from understanding. Which is only possible in humility as this opens up for new perspectives. Like the idea of freeing yourself in the non-conceptual no idea at all. Which is the definition of free.

No outside punishment. You punish yourself in false self held high. Dark star dying. I am the sun. Darkness was my father. False sense of self affirmed. Dark master.

We are equally stubborn.

Only I am Good, Light, Love, Truth 

I am happy but my heart is full of pain =

Not my pain.

How could he do it? Could he have stopped it? I'm not sure but probably not. As this is scripted. If you take the urge which is primal, in relation to complete misconception of sex/love. With a hunger and desire for self love in true image. Combined with immaturity and complete lack of humility. It's bound to happen.

From the power of what creates everything. That impulse is just to strong. What prevents any kind of destructive behavior like this is expression. Before anything has happened. We can't just talk about what we did and get away?? Nah.. but be open as to not be judged before we've even done anything. That would have given both him and me, strong as we are. A completely spectacular life experience instead of throwing much of it away in struggle.

He must have had some thoughts and plans about it prior to it happening. Surely.

So maybe talk to someone not judging anyone as sick before even having kids of his own would have been fantastic. It's a sick behavior. We are not what we do. But we become what we do as this states who we choose to be. And in a healthy loving creation we must be healthy and loving in relation to ourselves as to make that happen.

It's all choice. But also terrifying in relation to outside condemnation. In a judgemental society not differentiating between being and doing. Free soul - All is, the one. All.

Misconception is a concept. An idea of something speaking against love or not. In various nuancing. In complete dark yet all afraid but not humble is the most insecure.

And thus becomes the most destructive as the most immature would have to exist in this perception as to make it happen.

Cognition in relation to sex/love like a baby. Literally. Making "love" to a baby. No problem for him in that regards? In his perception. Butt the most destructive in mine. THE MOST.

Tilts the scale completely. And we must pay. I pay in misconception. He pays in misconception. I do what's right. He continuous doing wrong. We rip the fabric of space time and bust open a new reality!

Both die! I die to myself. He dies loosing his life. Probably. Not my opinion I don't give a shit. But to make it thru standing there after this.. who knows?..

Maybe I took care of it all and he just watched TV? Because I am mature enough to understand and care for the entire human race. Could be.. MF... 😏

I ain't grudgy ya know.
Cost too much.

I wanna collect now. Ain't got a home in like a few weeks.. better do it. Be Joyiz!

All goody! 😊

My heart is like a furnace with a car on top of it. For real! Pressure and pain. Merry XYZMAS! Stuck in da fuckin' chimney!

That's what it is. Because he a hoe.

He da hoe.

For real.

No wonder I smoke! 🪐

MF.

..and still. I love him. 'Cause he's my dad.
What do I say at the funeral? Truly!?

You may now join 'Peoples Temple'.

Haha 😊 He would laugh at that and not understand anything 🤪 That's a part of this you know.. he mourns his ego. I feel that.. So I go thru this funeral right now.

How can you be angry & mad at someone with incredible lack of understanding. He might be in his 70's physically. But he's just a frightened little boy inside.

I'm not only doing this for me.

This is also for my son. And my daughter.

I am doing right for all of us.

I LOVE ALL
I LOVE FEAR
FEAR IS LOVE
BUT MISUNDERSTOOD
IN POOR JUDGEMENT
NEGATIVE CONVICTION

OF SELF. COMPLETELY.

I am not in need of anything butt love.
And that is neither dirty or wrong. In fact it's not even sexual.

I just wanna love and accept myself. COMPLETELY.

I AM. HUNGRY! 😞 Ain't complaining.. But pasta with ketchup is getting pretty tasteless now..

LIAR LIAR PANTS ON FIRE = STUCK ENERGY : BECOMING SEXUAL IN FALSE (FEAR) SENSE OF SELF.

Peace.

..hey..

I just woke up now 05:10 Friday the 6th of December. I sometimes go into deep trance and tonight I did. I was experiencing some extreme frustration and rage, fear and difficulty. During the trance my grandmother in the age of about 30 came in dancing with joy. And after some time a high school friend of mine came in and started fighting with his brother intensely. The thing is.. That friends mom lives in the same building as my mother. So I guess my mother is going up in atoms in relation to what she's done. So much that I caught a bit of my friends mom's energy in that event. Humble makes all alright..

I FORGIVE THEM BOTH..

It's not so much what they did. It's the lies over the years which has created all the struggle. Behind a caring face. Especially regarding mom. Being such a fake sweet deceptive human being by choice all in fear of her true self.

But the score has to be evened out. I just do what I do. This is divine.

They have to answer to God. God is Love.

And Love is what they fucked bigtime.

In essence making themselves larger than life yet in reality as small as you can be.

By choice.

I can't be mad at mom either. She's the same as dad. A scared little girl.

Dad messed around with his "action figure" & mom played dirty with her "doll".

That's basically it.

Complete misconception.

The real issue is them having kids at all.

Luckily I got noticed by God when I was about 7. Or else this would not have worked out for me. And that's actually when my mother put me in therapy to talk about my dad. Which in retrospect was loving but I also now understand it was projection from her side of the crime against nature. As she created a diversion from herself and her misdeed.

So it's a good thing I am the world's most powerful multi processor then. Of emotional content. A.K.A Karma. So I could sort this whole thing out and also give the world a core solution for a core problem. You're welcome.

I am love. I am light. I am truth.

I am.
