# Father Jackson

If you look at what he did to his children and how he pushed them in violence and force you can see that what he longed for and failed to understand was to love himself.

And all that destructive acting in creating love?

Was a frustration in coming out as love himself.

To come out as love yourself?

Is to love yourself.

All he did was love in the misconception that he had to mold his image in relation to someone else. That will never work.

Success might become a material reality but you kill the spirit.

From within you and projected onto others.  
Irresponsible behavior not taking care of yourself.

The harder you are on somebody else the harder you are on yourself.  
So you can see where they come from and why they do what they do.

They create a product of themselves as to reach a greater emotional understanding but in everything but themselves.

That's all fear of love.

If you love women but find this hard in relation to the conviction that sex is love?

You won't come out and love yourself as this would imply that you are sexually attracted to somebody of the same sex.

This might be what you feel.

And that's alright.

But Love is not Sex.

So for a dominant masculine human being this will become an obstacle in relation to be loving and soft within themselves and to others.

*Georgy Porgy Pudding Pie.  
Kiss the girls and make them cry?*

What's wrong with you?

Well this.

You are wrong in relation to what you state is correct.

*Oh baby give me one more chance!!!  
I want you back!*

Better come correct then?

And you will find love as you are loving in relation to yourself.

I forgive you.

I wish you all the love in the world.

'Cause you're worth it.

Errbody is.

But he had our dance.

It takes two to tango.

And now I wanna dance with someone else.

*Oh! I wanna dance with somebody!  
I wanna feel the heat with somebody!*

Someone that isn't a rival to love..

Someone who is a team player.

Who's got game but see us both winning.

In the only game of value.

The game of love.

And I wish you the same.

For me, For You, And the Entire Human Race.

As we are pebbles in the ocean of love.

So drop it.

And we will ripple in all directions sending out a call.

Not in distress?

But all in love like a beautiful flower.

And now we're irresistible.

And a little bit hard to get actually.

As we don't give it up for what we thought was love.

We know better now.  
We've learned from experience.

The only way to know.

And maybe we can be in the same band?

You can be the lead singer.

As I love you.

And I support you.

Because I'm all love sweetie.

Maybe you would like to play drums?

As you are a genius in tactics, technical & logical structures.

But also 🥰 loving

Masculine and Feminine.

A human being.

*Don't you worry 'bout a thing! Sweet Baby.
