TO ALL

This all started in a distant time long before anything else had begun to intertwine.. My mission started to become apparent in my school years, perhaps around 9-10 something like that. With my interest in music, humanism & in collaboration with spontaneously starting to throw my catch phrase around.

'It's not like I'm Jesus or anything'.

This was after mom & dad divorced and I was hangin' with my best friend, Daniel at kindergarten (I was about 5 years old then). One very special sunny afternoon it happened. We were all outside and the weather was wonderful. We had a lot of bikes and stuff to play with in the sand and everyone was happy. But on a piece of grass on the outskirts of the fenced playground was something else manifested before our eyes. It was a tent!

A small Indian tent had been placed far away from the teachers. This intrigued us of course so we ventured in the tent's direction. As we came closer we noticed there was only one individual inside. Who could that be?.. We took to courage and decided to open the piece of cloth floating in the wind and have a look.

Inside was.. Clara!

The sweet and cute Clara! She was so happy and asked if we would like to join her. Of course we said and came inside. There was nothing there. Besides Clara herself of course. And so we wondered what she was doing. As I recall she was on point. No extravagant conversation. No ribbon but straight to the point!

She told us:

If you take out your pee pee's. I'll show you what I've got.

And so we did. And from that moment on. I was blessed in my eyes. 🙄
Sometimes you just gotta get a glimpse to know what to cherish the most. And hold precious. And love the heavens of.. L'Oreal. Sweet ladies 🌸 I love you

Here : I AM

Craving an audience while having sex says, look at me I am loved. In complete superficiality. Not much self love at all.
When I meet you I see nothing but love.

That's why God wants me to go out into the world and see you face to face 

To look at you thru the eyes of understanding, forgiveness & freedom.
And by that perhaps autocorrect you to be restored back to default/perfect setting.
To love yourself without any judgement.

Forgiveness Tour L'Amore 

How do you affirm something like being Christ? You listen to your hearts whisper.
Always telling the truth. All my success and acknowledgement is here and now.

Come on God! Doesn't work. All is given in perfect timing. When you feel that
you've got it together in relation to what you wish for. From there you can learn
more. About love.

Learn more of what gives. Give a shit? And you'll get shit back. Give all your love?
And you will get all the love back. Fair deal. Always. God is juste. No waver.
Constant stream of perfection. All clear. All good.

I am perfect, as I Am. Get that.

Destiny will happen. Why not? No reason.
..Stop holding on.. Don't give any reason to ever stop.

I have no reason to stop. I follow my own map and pursue my destiny.. of love 

 4 All Ah!

I know God. I am God. I am

God is Love

Thank you my lovely heart 

I'm sorry, please forgive me, I love you, thank you.

No remorse. No hard feelings.

We understand together. My love forgave me, I forgave myself. Setting me free ✨

The hook is your signature. That's positive.
Get with it! And do the you. Authentic.

Hooked on a feeling! Of feeling good about yourself. Easy to become addictive to without destruction. Addiction is not negative. It's the neglect that is.

I will do my best in keeping joyful and happy for the life I've been given. And know that all in-between is perfectly alright. Just learn to let go in forgiveness. Understanding. Emotionally. And give credit to love.

Thank you God I love you. Focus on heart.

The heart is blind. Lives on praise.

My little sweetheart 💕🌸🕊️

Who's a good heart! You are yes.. yes you are 😇 Hihih

Good spirit.

I don't need anybody. But I love to be together. Open heart. Need holds on.

Afraid of losing. All of what it is. Blinded by self love. The mind says otherwise. Pennywise. Mind your heart. That's how you listen. To desire.. a longing.. a willing.. a belief.. a knowing. That everything's going to be alright and even marvelous. All we need is love. And that is given for free. We just don't need to receive it. We receive it.

Like that. No questions asked.

Don't doubt yourself. Doubt your own self love. Constricts. Contraction. Holds on for dear life. Counter intuitive.

Intuition, open, inspiration, joy, light

Positive outlook! Ah!
Attraction!

It's gonna be great! Trust me.

I'm God 😇

Classifying something natural as illegal is the biggest crime. Because it makes for the unnatural to be legal.

All natural: Legal, free will

No judgement over God's creations.
Hell will brake loose.. Naturally.

It's all a big chance. Not a big risk.

I sure as hell don't wanna die.
Sure as hell = Lie.

I wanna rejoice and live as much as possible! Faith in God = Truth.

Good to have in relation to what gives you all. Keep that faith!

God will make everything alright.
As sure as the sun is shining.

Believe that!

Trust your heart in faith which comes from a loyal mind all in love. They listen to each other to make it all understandable. To be able to release what is true and compassionate, as this is the desire that will bring the most satisfaction for all.

..If your heart is in your dreams, no request is too extreme. When you wish upon a star, your dream comes true..

God checks and challenges you at the last moves going past the crest of the mountain to see if you are ready. Not as in 'to deliver' but as in caring for you to make sure you really want it. You can abort up until then.
And kill your dream. Don't be afraid of your own success. You got it. You can deliver. Because you know what? It's you! 😊

Can you deliver you? Ha! Yeah.
Imma just show up! Yeah.

I'm doing it right now. Living the dream!
Here in my couch. Can that be in someone else's couch? Yeah. Same thang. More light though. Talk about what's important. That's what's catching all the light!
Caching.. true reflection.. get what you give 💎

I bring diamonds. I believe in life.

That's intuitive. Going forward.
No brakes. But Godspeed.

So it's aight. Tension kills.
Relax, and receive what you wish.
Do you really want it? Yes 😊

For the greater good & for me 🇺🇸
So I'll do it. For God, for Love, for Us

God first, always 🌸

God would never kill to prove a point.
We do that ourselves. Letting the darkness win. God saves even the negative in
order to create a greater good. All is necessary.

You simply choose side. All the time, in everything. Or you can stay a bit more
brighter? And free demons before they do harm. Patience my dear. All in God time.

Ask God to remove what is no longer serving us. The heart, the mind, the body.
The human. The being. The all.

It's removed as I made it clear.
Or else it would have still served a purpose.

Co-creation. Bomb disarmed. Joy engaged!

Let humanity be free! 🌸🕊️❤️⭐️😊🏆

We are not going anywhere without faith in Love, in God. The world spins but that
ain't it. You wanna excel without a spreadsheet.
Emotional alchemist, transforming and transmuting darkness into light.

Observe the image. Is it for you or against you? Either way. Show love. The
weakest faith = Strongest lie. All dark inside. In perception coming from
subconscious conviction of negativity. Not evil.

But convinced to be.. The AntiChrist..

Truly just jealous.

I will not accept that energy within me.

That's yours to alchemize. Not to project.

I can't own, carry that. You deal with your own darkness. Come to God, to Love. And you get a fair treatment. All in relation to what you claim is either right or wrong.

Truth or lies.

It becomes resistance for me personally now, as you do not believe you are God. The most natural thing ever. Believing you are you. Not that hard. You are who you are.

You are, I am, We be. Together. God.
With personal responsibility.

Or you hand it over. Seeking guidance, but don't wanna play. Just handing it over. Nah.

You play. You play now.

Take your shit and turn that around. For the greater good. Which is not about sex in the streets. It can be sex in the city but don't push it to far. That's unhealthy behavior in relation to maturity. And that becomes very hazardous in a world of love.

The news is creating a lot of pressure. As to find what's right ahead of time. Judging the script before anything. Satanic. Stop the pressed. Depressed. Local news. Did not make 'em. Again. And again...

Wanna be right in every way. Even if it kills me. Expose the devil journalism. Wrote journals.. for myself. For the public. In that order. Public in mind. Self at heart.

Thank you for the love!!?

That was close Captain..

Stop playin' and keep connection

So it is you?

Why am I so afraid?

Because of all the don'ts.

Don't do that. Identified. Is that. Bad.
You are bad. Shovel in the ground.

I am good. I am good. I am good!!!
I am good self! God self. I am! Affirm!

I affirm! I am God!

God has separation anxiety from creation it self. Because it acknowledges God. Whom cannot praise it self as it is self, free. No judgement. But likes a raise as it gives all.
Should be valued pretty high. But not suffocated. No diet. Live it.

= A good setting in relation to who you are

As a human being.

When you blow your asshole gets cold. Also when breathing in. You kiss your own ass. All day every day. We never eat each other.
Not even as a joke. Especially in relation to sex. We kiss. We suck. We lick.. we touch..

But we never eat. Confusing. Think about the ass..! We loose the game then.

Yes.

When you wish to save their life.

L'Oreal!

This had to be done and presented by me. To make a voice for God that most had lost faith in. Let's flip that now! Turn on the lights. I was given the choice to leave it like this now. And just reap anonymously. But I said no. Because I wanna share where I got it all from 🌸💕🕊️⭐️🌍💋

From God! And how that all works 🎉 Fire!

Repent makes for worry:

But but but but but but...

Am I not allowed? Butt I love it 💕💕

I experience various forms of distance to love. And acceptance in what that is, and a mature mind understanding what is what. So hurt does not become love in blind lust.

Do things more sensual. In peace and everything is wonderful 🌸💕🏆

..I just put a piece of carrot cake in my mouth and I cried. Sobbed.. in gratitude..

Love. Sweet Love 🌸💕🕊️💕

When a general public entertains themselves with horrific visual consumption is to make themselves feel better kn relation to how their actually doing given their specific mission. Stop watching/reading etc murder & war. It's just to make yourself feel good in contrast to tasks left undone regarding your contract, soul. Study to learn. Not to judge. Do what's right. Can't go wrong.

I had a heart aneurysm.

Not anymore 😊💋💕🧠🏆💕☀️

I am enlightened. What am I supposed to do with that all by myself?..

Nothing without you 🌸💕🕊️💕👼🌟😊☀️💋💋💋💋💋💋💋💋💋💋💋💋💋💋💋

Much of what we feeling that gives anxiety is actually boredom. We want excitement. But suffocate ourselves all in control.

That's why war eventually happens. A huge excitement but not funny at all. All because of the serious take on ourselves but not on love. Ego vs Heart. Heart always wins, by a none-zero sum game. As the heart cannot keep score. But the universe is all mathematical? Yes. And so mind is God?

No. But.. we need a good conductor. That can make for a beautiful symphony. God is just all the strings. The energy. You decide the music this time. And that time. And future time. God is a DJ.

Good mix. Good times.

Exclude? And you've got gravel in the perfect machine. Keeping all in perfect harmony and timing.

Don't judge. Anything or anyone.

As bad. Ever. Never ever. End of story.

Bad implies off. It's kill switch but all dims.

That's the trick the devil pulls. Sneaky like that. Lurking in the shadows. Wanting you to come join now. And you will rule with ISIS..

..I feel you being here now...

I will not join. Scare me all you want.
It won't make any difference.

I know God. I am God. I am.

I cannot kill myself. Self cannot die.

You have lost dark lord.

It's over.

It's over..

See ya next time. It's your cue.

Back to hell. Where you actually belong..

And love it.. silly.

We get mad when we loose our way,
Something we honestly know

And identify with that as in being.

Bad. Dad. Lad. Sad.

..I am feeling my father dying..

ISIS needs to get sum.. to even a score he cannot understand. A sacrifice for the greater good. By choice. Doesn't have to happen. All an illusion. By darkness.

Let go dad  And set yourself free 

You can settle the score. By not affirming it anymore. Forgive yourself and credit God.

The you don't have to join. As you have ripped that contract signed by your soul
sell out. Coming from a sense of unworthy for life. Doing what you could bot
control given so much love all at once. I forgive you 🌸

You played your part.

I let you deal now. Or heal..

With God you don't make a deal. It's a done win. Written in the stars. Signed
sealed delivered. Im' yours!

..The Snake.. searching for warmth in cold blood..

Everyone who's watching. I love you 💕

'The Real World'.. what a show huh 😇

The AntiChrist is female.

Jealousy and darkness personified.

I know her.
But she doesn't.

..Or does she..

Disgustingly clever.

She knows.

And Dallas my way thru! Savannah!

The International Space Station and the worst murderers in the world carry ISIS
name. A true con-artist cannot help to sign their own work. Like an idiot.

Wanting to get caught. Because it's a pain to live in opposition to what is actually
good.

Here : I AM. No excuses. No lies. Truth.

We have to win. Before it's over.

Keep the faith.

The contract is signed with certainty of death, a dark deal. You will now die.

You had your chance.

Rapture : In effect. Initialized.

Rejoice! Or Perish. By choice.

Don't panic. It's too late.

There is no forgiveness for doing crimes against nature in the name of God.

Not sorry.

I kill @ will.

God's will.

No virgins. No nothing. Except eternity in pain. Completely aware of each non-moment. Infinity. Torment. Agony.

Close to death. But never getting there..

A price for your head. You valued the highest. In the peak of contrast. Biggest lie in the history of the world. Death + Death.

A terror state of mind.

Projected onto others all in fear of self.
Creating destruction, in a world of love.

No intelligence.

You shall not be mourned.

Pegasus! Away! 🐎

.. ISIS is dead. They mourned themselves. Not knowing and also not finding out, what love is. A really bad choice. The worst.

But made anyway. To protect nothing.

I could use some assistance now please. In the form of money and food. Security and hospitality. I've earned that and I know you are reading and listening and viewing me.

Aiight.

Send someone over. Someone kind and lovely. That can help me out a bit. With a phat pocket. I like foood! 💋

For real. I need to rest and become stronger.

And I'll see you around. 🌸💕🕊️💕🌟

Do not abuse the name of love
