

# The bus card did it.

Tough gurls are praised until they punch guys. And then what?

Tables turned? Is that alright?

You wuz cryin' before? Acting hurt when the thumb was on da other shoe  
show??..

Freethrow?

Damn all?

What gives?

For real..

Lil Man J.

CPU.

Thank you my friend.

I was told a story from my neighbor and friend about him lending out his bus card  
and never got it back. Today I was asked to lend mine out. Also to a guy in this  
house.

So I did 🌸

I just woke up from a lucid again.

I was sitting next to someone. Sitting by the bed. But I was experiencing them as  
sitting there as I laid there. A song comes on..

And I feel like singing something going with it.. And they begin to sing the same.

And I'm like! Snap! Shit!

And I begin to like high five this other person being me and I is them. We is.

Felt like a glass wall between us.

And I realized..

That.

I am one.

With self.

I truly am God.

I see faggot ass girls different now..

They ain't ladies.

I am adjusting my skull bones.. To be relaxed from how they got pressured as I  
was born from fear of loving self ..

If I..

Don't feel like doing an interview.  
And somebody goes against that..

I can shoot 'em with a handgun in their thigh and no problem at all. Promise.

Mosquito bite.

In relation to self creation going thru me.

I am highly intelligent. And most giving.

This is a challenge.

The hardest.

I do this for us.

All.

Lou.. I hope it's you.

I can't know everything.. For certain.

THE!

Biggest hold.

Is affirming black to exist materially.

Not smart move.

Why?

Can't you see color? Where is da black?

The hair?

That ain't black either.

Dark blue.

Deep purple.

Nurple.

Twisted left nipple. For me.

For real.

Let go now.

Thank you.

When reading anything with belief?  
You accept. Like news.. terrible ones.

Self loop of dark perception.

Person to person.

Collective.

It's like we love cookie crumble.  
But not low bitrate IRL nah mean..

Don't blame anything on any color.  
As all primes are solid keeping the fluid intact as perfect condition of fluidity

So nothing is wrong either..

It truly is all good

As is

Harmony

Restored

Acceptance allowance of light

No negative

Affirmative

Nothing wrong with me at all

I am not any behavior  
No one is

All free

Now

Behavior is in relation to time expression tied to gravitational push or pull.

Come or go

Should I stay or should I go!?

Sex Pistols

Who uses a gun in love?

That is terrible comprehension of emotional freedom which isn't sexual

I am alright  
I am all good

All frequencies are OK

That is truth

What you choose to play is what becomes..

Like Leo says..

A knife can cut bread or body.  
Which both are alright.

The apple is a body.

A physical manifestation of a specific expression of creation.

Cut apple. Cut all?

Can you cut animal?

All eats all. OK.

Gratitude and care is important.  
Handling. Ethics. Treatment.

Love.

All the way from the beginning to the new beginning..

Forever 💖

Sleep now. Promised light

Some women do anything for money.  
Which is correct. But it's for love.

Love makes money.

Which is not in need of anything.

So what is love girl?

Put your clothes on.

How deep is your love?

Wonderful! Joyful! Happy! Fun! Good!

Is what we is 😊😍😘😏😇😘💖

It has been difficult for me to appreciate the temporary as it hurts when it leaves.  
Which trying to keep what was. But it all comes again and again.. Receiving the  
new.

People who look terrified meeting me? Lie.

How do they feel? Ask yourself.

Neil Rogan. That's a great couple.  
Astro physics invert. Let's go deeper in stupidity!

Such major opportunity to do right. But just keeps messing up. Not focusing on  
the price. Of the real.

I hate 2 B da one = 2 judge = Destruction

Live free 🌸

Give all a new chance. Starting with yourself. As to prevent projection..

Why not?

Accept what is so that it may be..

Be good. Be God. Be Love.

Now 

Say no with a smile thank you

..a color can't be stagnant as to mix providing fluid.. Square root of nothing

So what's the deal?

Stressed heart or not. Basically. pH.

.. D... One!

Affirm. Affirm. Affirm.  
Affirm. Affirm. Affirm.

Rest assured 

Da whole world is coming 2 Molkom.

..Cause dats wherez God is @

You've got a voice. When that voice is secure and authentic? You believe it.

Subconscious impression.

Init.

.. Ever tried closing the cupboard the wrong way? It brakes. So go with it.

We experience the same thing. In different speeds. And different sensitivities.

So we can all relate 

Vi behöver inte ha dåligt samvete. Eftersom det inte finns.

Fun light!  
Serious Dark..

Given Ah!

A man is alpha. He believes himself as self affirmed provider and the woman receives with him. All in love.

Man - Alpha - Feminine  
Woman - Omega - Masculine

She becomes the owning ego. When the man is not doing right. Which is to make himself. She needs to be humble before love within herself. Or else she becomes the controlling outsourced vision of a destructive man that she needs to own acting as counterweight for universal balance. All is love, emotion. Feeling.

So the actions are a creation of misunderstanding. We are twins. All couples. Of fire and ice. Blades of glory.

Armageddon. Aborted. Abortion.  
No separation no more.

I write this to for with in us.

To four within us.

Combined expression. Of sweet, salty, bitter & acidic.

Because I know them not by name but from experience in my heart which has no thought at all.

So what is that? You cannot think of it.  
This is impossible. You feel all. I feel all.

Or fall all.

Do not destroy competition.. When you aren't true to self alone. Be good. Be obedient. Like Andi said. Check the mail..

I'm yours 💖 says luv love life

Last night, I purged.

Most of it was Lil' Waynes recovery from the gunshot to the heart.

2 hours in the shower in cold water I think which did not affect me but I could hardly move and let out all as I went thru all in slow motion.

09:51 May 10th.

I had a small coffee. Now some tea with marijuana and oil.

I hear native drums playing. From somewhere.. a car I think. Turning into latin celebration beats. Now a bit of polka? Maybe.. what beat is what? Defining a beat? That's not good.. We do not own structure. We share it 🌸

It's our world

Weed coming on now.. took about 5 minutes.

No smoking. No stress. No pressure..

Stress gives nothing. It takes.  
Peace gives everything. It gives.

Give is give.

I don't wanna compete. I just desire you by my side as a loyal fan. And what we do is all good. All good.

@ ease.. . 🌸

What we hold is what we present. The time is now your body's just a temporary rent-All is yours when you flip it all around.

Please stop lying that is anti love sound.

I am. Safe. Return. Catcher.

But no boss.

I want you. You have no name.

But you can receive a name from me.

I from this moment. Name you ..

Free 🕊️🌿🕊️

Call yourself what you desire.  
And I will love that forever 💖

I am Joize Goody 🌸

She has no worry. Neither do I.

I trust her. Completely.

And she gives herself to me.  
In perfect presentation of all.

I decide this. This is my choice.  
In loving myself. And making it happen.

Success mission init.  
Land of freedom.

Close together 🌟🪐🌿🌸💖🌟

Love yourself, feel grateful

It's in the heart 💖

I am God!
