I had a heart attack as a reference to know what I need to experience slowly as to know what fast is in relation to three dimensional time given pain comparison to self without judgement of progress containing all the answers but no clue as to know fully and thus presents a destiny unfolding and becoming rather than was forever backwards mix of good projection called feeling fine in relation to pixels broadcasted in nature revealing itself as it goes..

'HIGH & MIGHTY - THE HALF'

I can focus on the low frequency content of that snare and equalize it in realtime.

Blow 30 mille like I'm Hammer!

Nice 🤔

MC removal. And crowd murdered.

Ungrateful rigid bitches.

NOT. HUMBLE.

Not feeling deserving.

Jealous.

On what you is but cannot touch..

Lyke he said..

Joy does not come..

Joy is 😊

For real..

Enjoy without judgement!

Smile and feel good. Make jokes take jokes..

Again:

You don't have to do anything. But as you begin to allow for peace a bit at home when free you begin to adjust and transform as to make a different projection for yourself.

Affirm and support. Create. Creation!

Nobody is old!

Martyr is not savior ever.

Any ideas are available for download.

Like a bomb.

To use for demolition or murder.

One consciousness....

If you don't want me.

That's OK 💖

I trust luv 🌸

Murder is not funny.
But chaos can be humorous.

If we see the crazy aspects of it without emotional degrading participation.

So we can laugh.. As to make light shine on dark matter. But not straight away..

As the pain is active ingredient in presentation in relation to action.

This transforms over time..

And the action becomes disconnected..

From the pain.

For sure.

Try your best in not being insecure.
And you trust yourself. And give a clear rendition by almost none or no effort..

Just being as is..

We don't have to agree that all is really good..

But it's good for whom consumes it in position of comprehension..

All is borrowed truly..

Don't judge 🙄

More energy but in resistance not bot allowing for joy? Makes for anxeity.

Which is a hold on excitement.

Bingo bango!

I do swear!

About what I know is true.

No worries. Slight smile.

Feel the joy. And more come that is path presented as given destination unfolds..

Give yourself all without guilt. What you do, what you eat, what you say, what you share..

Do it all!

4 LUV

I honor her love.

That's good for all.

I very good common interest is love.
Makes whatever that!

Let's have fun! 💖

I am super good!

What is the appropriate time for a present loving hug?

= Timeless

Priceless

Invaluable

Love can be hot and primal.
But not init.

That's respectful. Honoring. And wonderfully friendly and inspiring.

Give me all that I deserve 🌸
Thank you , I love you!

Thank you 💖

The new "pope" elects himself. Declines the offer to maintain a divine personality.
And lives among the people being love.

Just like anyone else.

Up in smoke tour.

I am the chimney.

There is absolutely nothing wrong with that.
Do not condemn, forbid, condescend.

Nature.

Especially!

When she provides loving care.

Do not judge. Listen. Experience.

Opinions? . . . are lost in interpretation translation of higher material power.

Afraid.

Of the deep.

Which is sweet love..

After demons are forgiven 

I am brilliant 

Trouble will come. When you decide to satisfy yourself with something to not feel bad. But you can do whatever as to make yourself feel good. In agreement with love.

That's right here 

Or else?.. .

She will teach you a lesson.

By restricting and contracting with tension, to prove a point without a single opinion or action. Other than show you emotionally what you need to focus on.

As to make it all good again.

Water shows. That when calm and peaceful.. A clear reflection is presented.

Be like water 🥰

But also love to surf nah mean!

It's all good! You're worth it!

L'Oreal!

Worthy of Joy! #1.

Luv is 💖

See young boys as young girls and young girls as young boys.

Clear enough? 😊

Good perception.

We have sexual desire. But not need.

A heart can never be broken. Only hurt.
From a heart attack it stops. But not broke.

All is rich in some aspect.

A lion would eat my heart in autograce.

Look how sensitive the skin is. What about love then 🌸

The quiet girls not smiling hanging with mad villain king on throne? What do they need?

So kool.

Yet so tensed.

Or a play?

For the suckaz?

Maybe 😊

Who is you?

Life is good.

No worries.

Smile! 😊

..I luv shit!

..butt I don't eat it.
