Going & Song

Do not rhyme.

Yet still generated millions
of dollars.

Ain't that amazin' blazin'..!

!HOLLA!

What's so good about it is
that it truly generates more
freedom of speech.

Expression. If you take
offense you are offended.

Which is only possible
identified with the ego
mind. A false sense of self.

You might dismiss the
importance of this. But
freedom of speech makes
for freedom of all.

No judgement. No victim.

No lie. Stand up!

Be not afraid.

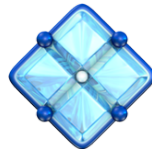

What makes everything happen
in relation to what you most deeply desire is the reflection
which is a universal response of your own projected gratitude.

Felt from that depth

H O N E S T L Y

Which cannot be faked - No thought at all

Just very deep and sincere gratitude
In relation to being alive receiving life
Which can only come from experience
You cannot get there any other way
And thus makes for wisdom
The definition of 'Bottom of my heart'
Conjuring. Going against judgement
Desire to be free
Pressure - Pain

:GAIN:

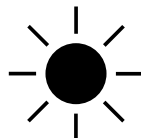

So..when R U ready? Truly?

YOU KNOW

So God Damn wise you trust yo'self!

COMPLETELY

Sincerely / Chinese Guy  

Everything is all, a reflection of your heart
Which along the way gets confused by a the rules

So we seek outside, try to pull on strings
When everything is inside us free from tools

Keep asking and you receive but not everything at once
Be grateful where you are give thanks, you are supported by a
million suns

What is coming is what you need exactly where you are,
As to heal and cut the cord from being wounded making scar

What you feel in back, behind your heart in chest
Is not about yourself, no that's all about the rest

So when you venture thoughts and feelings which increases all that
pain? You just gotta let that go or else you will not gain

Take care of what's in front of you, take care of what you send
What connects behind you is for other self to mend

This becomes resistance makes for working towards your goal
Only keep connection with sincerity to soul

Guides you in perfection, when connected listening
Treat it like the highest most real yet not a thing

Humble honored before your self, mending creating like an Elf
And you can dust yourself off now, don't lay around on dirty shelf

The Gizmo the gadget everyone wants is to feel like kid again
That's not living backwards or in future in constant when?

All U want is U, as much as possibly feelin'
Do right for yourself and create a star
With judgement U ain't dealin'

DIE 2 SELF

- iz aiiight

U R Supposed 2

GOOD

U Gotta want self.:

In joy as to enjoy!

Wish for yourself : Wish for self.

Self affirming.

Granted wish!

*4 Sure! Partner!
Team player!
Loyal 2 self!*

Sure!

*Why not?
Do you feel why not?
I don't feel why not?*

*Like why knot U knew?
Let go then!*

*Now U just go ahead darlin'
and make yo'self U listen!*

*T*he entire world is yours without any competition.

Competition is not possible without comparison and comparison is not possible without judgement. So live inspired and everything works out. I was judged today by someone dressed in expensive brand clothing lookin' at me like a bum. I guess they did not know who they met lookin' and judging like that. Maybe it's a good idea not to do that at all whatcha feel?

In retrospect they probably would have
been very grateful and inspired meeting
me?

Can you see that knot?

Can you see how this individual just
chokes they own existence?

*From holding themselves higher for a split second passing by
defining themselves completely in the superficial.*

Shorty got low low low..

No matter what height.

Lacking fire..

Short fuse.

Stressed and tensed.

Watt height better!
That's true!

Viva la no resistance.

All of this wuz possible giving all credit to God.
All. Thank you God for giving me everything.

God is very proud of me!

And that's all I truly need.

But I appreciate more.

There is no limit to love.

Feel grateful for who you are and what you do.
And you are naturally attractive to what you
need next having a human experience.

Peace!

PS. It's like their lack of bravery becomes my
struggle. Yeah that's it. They behavin' like a
coward. When they iz supposed to be cowgirl &
boy. Brave like an Indian. That's tricky! Brave
without hostility.

Free soul in the now makes for wow.
God's Casino is flawless.

Don't even try to cheat (judge)

You see when you hold on to judgement you don't allow for it to come to the bottom.

It's just like anything material.

Like the planet holding its structure.

Electromagnetic hold of judgement. Within certain amount. And you get more or less the same thing. Like the earth looking pretty much the same all the time in its most rigid structure and expression.

So when you hold on to judgement you create for it hovering in the heart space. When it is forgiven and allowed to touch the bottom it can also go away. Or perhaps rest where it belongs.

Making love pure again.

Probably minerals or something. Electromagnetic charge attracting the material within as to create pain in the heart or else we would not know what's going on in the space supposed to be free. Just full of life.

No dangerous meteorites.
