

KNOWLEDGE

Get it right

UNIVERSAL LAW

EVERYBODY KNOWS..

DEEP INSIDE.

PUN NOT INTENDED.

THIS IS NOT FOR CHILDREN.

ASS IN NOT SEXUALLY MATURE

Not a pretty cover,
and sometimes that's the case.
It's the clear content
that makes for beauty

TRANSMUTATION.SE

Dear God.

I am done.
The battle is over and I have won.

I as in who I Am.
I as in son of Wham!

Singing loudest singing true
All for me and all for you

Reaping comes when work is done
Yet at the same time..

..Has just begun.

Welcome to the league of extraordinary humans. Which are electric. And pure loving energy. At your disposal. In grace 

Never take credit. But it's always alright 2 give. Yourself everything. You are God.

Thank you! 

X marks the spot.
In life that means death. (Tension)

0-9 and then repeat for infinity. No one coming before any one. No matter how. Everything is born in darkness. Feminine energy. Eve came first. Spiritual before material. Always. Unchangeable. Undesirable. Desire of self. In recognized and true image visible for contrast in viewing itself. All love. Don't judge.

Light can't see light. Darkness can't see darkness. That's impossible. You see all. Including colors. Feel all. Hear all. Taste all. For God to experience. Whom is all is bliss.

Roman catholic = X, stupid being self destructive. Identified Ego. No spirit.

Work of the devil in the name of God.
God is Love. Thou shall now pay.
God provides gasoline and matches.
You do Gods work. Good Bye.

We won't use the fire to even make a pizza. We don't want that smoke to ever touch love. Absolutely disgusting idiocracy.

You go down. In history. As filth and terror. Almost destroying humanity. With horns of Jericho lacking any form of humility.

Complete and eternal humiliation and pain awaits. Why? You asked for it. God knows and sees all. God is love. Love will succeed.

Great success! 🍷👊🏆🏆

Plague virus dismantled. Code corrected.

Now : Joy 😊 (Relaxation)

Lacks nothing. Over and over, Re
Free of negative charge

Light, positive, giving, all continuous

I am ready to receive now. What has always been mine. Butt was taken away. And I had to work for it. In order to make things right for other. In clearing myself and my own perception. Wrongfully accused. By others negative conductivity. I forgive that. Yet still it had to happen. All of it. So I see the gift in all of that. And I praise love. As it sheds light on the matter. Which freed me from imprisonment of condescending sentencing. I have served time. In others place. From crime other did. Other could have freed me by freeing themselves. But that was not part of the script. Solving the puzzle freeing the human race as the solution. So I am happy with what I received and experienced. Now I am ready to receive the opposite. As I am now clear. Free of all negative charge.

Viva la no resistance!

How many brothers fall victim to the streets? R.I.P young brotha becomes heaven 4 a G. Don't lie. 2 self.

Pain makes a visit. Ain't no real surprise.

If you know the basics. Of universal attraction governed by Gods Law.

..give me a paper and pen so I can write about "my life"? of sin..

I was outlaw but in-law ya dig.

Yes it's the same for all catholics. Romans was just the primary virus. Then it spread in fear. Cloaked in love. The worst thing you could ever do in an all loving universe.

The wolf chasing its own tail. Eventually eating itself in hunger of self. Greedy yet abundant when not an idiot. Which race on earth is the most catholic. Humans.

Did you stop to think there? Who could it be? Get a fuckin grip on what's real!

I'm real! I am God. I am. Truth. Light.

LOVE! 🌸🕊️💕🙌💖👊🌟🏆💋💖

I have starved for 42 years. Give me the highest! I want the highest! I deserve the highest. Treatment of Falafel & a Coke.

And smiles and hellos. And hugs and can I help you. Of helping others. Of inspiring.

Of all giving 🌟

Feminine energy gives life to itself. Not in need of anything. Balance is key but lead in love. Dark energy is stronger by mass index but in contrast light is extremely more powerful. Not female. Not male.

Has the neighbor mowed the lawn to your satisfaction? Is your hair perfect today.

Gods promise is loving yourself and your life. And the rest gives from there whatever that is.. It's all good now.

I gave you aaaaaaaaaaall!

I am gonna dance again.
My feet is guilt free.

How to question value in spiritual truth not having a material possibility which is necessary for a question? Can't be done.

Darkness is a lie. An illusion. But also love as love is infinite and self corrects. By a hair.

Return to peace, return to innocence.

Maximum value. Peace, love & understanding 🙌👊🙌

Am I pain free right now? Hell no!

I suffer consequences for sure.

My body process everything lastly.

As to give me an understanding in natural timing. According to nature. What I need is to let everything relacks. As I am done.

It's like the heart is vindictive just not calculated which is actually not on purpose but happens anyway regardless

Am I making sense, yes I Am

You can't rely on anything or anyone else for faith. Even if something or someone helps you with this you still return to 'Doubtville' population grey and stale. So you gotta be funky as you are. Live in freedom as to receive it.. God handles all, when authority is given. Which is a natural order of conductivity. All in balance and truth.

Intuitive life. Emotional life. Colorful life.

Life 🍀🙏🍀

And we are back on the air!

..wanna see a scary movie..?

🐟 - Seven Praise

Coming soon.

We don't like not knowing. That is natural.

It's a curiosity to what it would actually be like. How it would feel. So we naturally seek experience. As we are by nature all knowing but yet inexperienced. Imagine judging that.

Very hurtful. Feels like a robbery. Of life 🌸

What we want is more! And endless more of it! Never satisfied! Of experience regarding everything. All knowing all. Necessary for putting yourself in Drive going forward.

Helping development as to be a part of evolution. All gives when receptive.

Done with where you are and worthy of the next level och challenge. You are done when you feel you are done. Not thinking you are.

Loving life. Love life. Life = Love 🍀🕊️🌸

You never release yourself from prison to be honest, you release yourself in comprehension. Which cannot be faked as to reach another level in the all knowing cosmos. You can forge it tricking other people. But it will come back and take what you stole. As you robbed yourself of experience. That smack is real hard! In an all attractive & contrasting universe.

It's a wise idea to be attentive to all of this without tension. A relaxed focus. And by that in control by not taking it. What's that?

= Be here now 🙏

All knowing knows what's going on now

'I am done with this challenge up to this point as to convince myself to believe I am'.

= Did a lot of spring cleaning 💖

Learned a great deal on the way 🏆

All invaluable experience ✨

Self creation, self sustaining, self loving

Being

Guilt makes absolutely no sense. Unless you strive to not feel anything except in a superficial experience.

What do you consume? Affects all.

Pride in one's creation affects us.

All one spirit.

Everything is created in necessity of harmony. Self correcting all good God.

Not to shabby.

I have unlimited amounts of energy and joy!

Naturally 💖

Snap! Back in focus.

Present time! 🎉

Tell it to my heart! God is Love.

Nobody owns love. Yet rich in it 💖

The body brakes. Never love.
So rest when the body is tired.

You can't ever be tired.

I am love is purification.
When convinced subconsciously.

Rinse & repeat. With a positive tone.

On course 🙏

If you are in need you are a bit lost. So fill that need. Starting with loving presence.
Actual being here for you self.

Connected.

Need makes the heart cave in. Desire makes the heart go out. What do you feel is attractive? Hard to tell.. when you also attract? You attract always. Just depends on what. It's the general state of joy that makes for a perceived successful attraction in relation to what is experienced as positive.

It's all good 😊

Try to control the heart. No good at all.

Let it be.. free 🕊️ 2 Luv 💕

R U sure you aren't just excited 🤪😄

You can't owe yourself a good time.

You are worthy of it all.

L'Oreal. Love Oh Real! 💕🌸🕊️💋🎉✅😊

You can't be guilty in relation to self. That is in-impossible. But you can feel that you are which makes for an apology. Forgiveness.

Taking the charge and doing sum with it.
But not the blame. That's luggage.

Watching a movie with a lot of emotions of various kinds while eating makes for handling life's ups and down by eating.
Especially in a great need of love.

Eating is not a hobby like that.

What you hunger for is more love, more experience. Amour experience. Be creative!

Did I talk about sex right there? No.

Are you sure you're hungry and not thirsty?
How to check what's first?

Love fear. As it makes for excitement.

In moderation.

Like kool dark music.
Love da shit out of it.

Ya feel me?

Like a good lady. And that good guy.

Doin' it.

Not scared of each other.

'Cause you know love is smooth.

Like kool like that.

Still tryin' 2 B on thyme?

I am.

Good! You saw that?

I am makes it clear.

I am one.

Hard for mind to get when it implies two?

I am and one.

I am the one.

Of me. Myself. And I.

In perfect reflection of theyself.

Steve!!!! Yeah man!!!!!!

Correct dat teacher biiieeachhh!!!

Hahahhaha!

Fun ain't it. You tryin' 2 tell me i gotza wrong fut on??

Girl you crazy...

I'm kool.

Like bittersweet.

Only good.

But not far from.

Ass to make love tender ass shit.

In yo mouth.

Ya feel me?

Love yo'self.

All da way.

..you'll love it. 😊

Don't worry about you being in you if you are correct in relation to yo'self.

No harm.

Butt arm.

Moving shit close to heart.

Ass possible!

What kind of people are we?

Human. Ass shit!

No shame or guilt.

Just do it.
Heals everything.

Shame and guilt is only possible for masculine. As that is darkness.
Butt necessary to understand sister (I saw that) haha..

Ass to let you love something just the same butt having a choice in free will about it.

All women know this. Butt cannot let it go.

Just like that.

Because of understanding how fragile love is. Butt can take so much more if you want to receive good feelings where you are not supposed to butt clearly is in correct self perception of who you are butt coming from who I am

Something that grows ass you grow in maturity which is in relation to that.

And how important a deep spiritual relationship which is emotional must be initialized naturally as to be natural at all

Free yet taking self care

So actually knowz theyself when thyme is correct in relation to what is what in the butt.

So actually not sexual until you truly want that

Getting to give it away when do or else destruction because of wrong conceptual self perception of self which had the wrong view unknowingly of one self being other self in true butt false reflection of oneself being oneself too but..

Don't question that.

An certainly not go against that over free will..

Double stamped it. 1024 years x 2 minus

Correction affirmed.

Good job.

Fuck you. I'm am the one doing it.

Playing with myself.

In endless forms. Forever and ever.

High on life!

En cheer joy. As one cannot judge itself.

Now.

You got that perception?

You ain't gettin' it. That deep.

Or at all maybe hi?

Sorry fella. Let's help in.

Give. Self help.

Wow.

I view women differently now.

Not judging anything.

Inside myself.

I am.

Good.

God.

One O.

Ooooooh!

The greatest love story in the universe unfolding before your eyes.. yes! You!

And you!

And you!!

Yo!!!!

I got the girl with the most beautiful eyes!!!!

Butt... I knew that. C'mon.

Aaaaa!!!

I wasn't completely trusting myself.
Aaaa!!! Thrusting! Going to connect.

Going forward and not back.

Butt back is buttgood the wrong perception!

In the right perception based on maturity!

Yes!

Haha!!!

Do we talk about this?

Ehh.... Who hand up? Just pop. Pop now. Poop now!

A must. Forces maturity in relation to free will.

On coarse.

Aaaaahh!! My head.

Ooo....

Left side restoration in that nation!

Everything can be restored ass long as you get there get it

And that's a bit of humour.

Ello!

Makes for a tumor in the afternoon.

Wonderful tea!

Mmmm!!

...ooooo!

I had a brain tumor ass well big!

Yeaheyahyeah.....

The most sensitive guy. The most in-friction.

As to make up for the certain period of pre-determined wrong self perception.

Get it.

Got it.

Snap back to reality.

By peacefully resting heart..

Self tuning time. Which stresses what is timeless. On coarse!

Women act like you don't know.

Men act like you don't know.

EVERYTHING!

Because then the child will eventually go so deep ass we don't want to. As a self correcting truthmachine code will one start reaching maturity too soon and thus stretching time which brakes all because time goes along in perfection when not existing butt does exist yet not seen ass this is good for living in faith which could never exist if visible to the naked eye that can see.

Pew!

Long breath-hold there!

Lisbeth will always be a missing piece deep down inside. But very small as to give the greatest reward in solving the 2024 year anniversary of truths reappearance in relation to lie which becomes truth again in timeless oscillation ass to butt love itself so much it possibly can ..

(Found a wallet)..

Butt it is a thang and I ain't no thang..

Hey! Who wrote!?

I saw that.

A little help! 🤔

Just one letter wasn't me.

Pushing myself to win ass I am deep in the butt love for you forever your eyes are number one!

I love them most!

Butt why different eyes?

Not material. Spiritual.

Perceptive vision.

..traffic just calmed as I came over a crossing like god damn red sea!

Ah!

No material. As no period existing.
As to not make a stop ever permanent.

Because that is the most painful in relation to how painful it can become ass you get stretched the most in relation to personal sensitivity and perhaps maybe preferred amount right.? Yeah.

Because it's all God. Which is all good.

Teach that in a fun and mature way to children. And they will ask the right questions that you loose in maturity as to make room receiving the new.

Making everything irrational almost.

Butt fuck near by!

When.. fuck.

And... fffuuuuuuuccckkkk.... almost holding your breath for a long time feels so good like that..

Like what?

Know what's what.

In relation to space time.

Almost at my moms now.

Butt I don't care to see my dad ass he did not give me what I needed

If everything begins and ends in love..

The you gotta find joy and peace in relacksing. Play that song again.

Re lack sing.

Re do lack song butt now wow if right perception in relation to maturity ass shit goes deep to find excuse ass to fuck like an idiot and think it's so funny butt lover living in very wrong perception of time in relation to maturity not understanding theyself or taking responsibility in being humble as this is learn butt pay attention ass to focus on what is what in the butt completely.

Don't play the wrong music all over.

If anything don't add music to it.

Butt you can for effect.

Wrong effect.

Out of 7.

Not that many.

But nuanced as everything is infinite.

In all perspectives.

Always new and changing.

Butt understanding itself.

In pleasure and pain.

Which is emotional over rational as to add color where the sun don't shine the most butt can be simulated if desired. Og I wanna do it right now! Butt patient butt not patient about it. No a sick behavior only it is under the wrong conditions which are wrong set of perception in relation to true self going on coarse with self learning about self which is love having sex when matured and well in the head which is god good when simple understanding about you and I feel the same over things in 7 ways waves interlacing butt can be wrong if the signal is not up to code

Which holds all that reads here. Whatever that is when you born yourself in self butt self love ass butt sex later butt eyes first making the longest distance between love butt really close when ready making friends first and sex later.

Can happen quickly when I knows Am both sides of self shared in one mind.
Where she!!!! Is the most powerful as in making things happen which is the
feminine over the masculine by a hair but for now has none theyself on they head

They head correct.

Trinity.

Butt Neo.

All is guidance. All.

Don't complain. Butt demand and know the difference ass you also command only
not with control by feeling as to make it ass advanced ass pussyble butt love it
more and more! Can't get enough!

And I love that! Butt love her eyes more.

On coarse.

Opposite.

Off coarse.

Easy to miss when only one letter is off butt sounds the very same making it a split
hair and to make a nu clear happening that forgives all ass it understands all butts

Self

Naturally

Butt evolves over time

And never gets old

Forever young

Butt mature in conceptual ways using feelings to make that a invisible butt
experience butt oh so real!     

Only available girls!!!!

In the pinky toe dude.

Yes.

Love is in the pinky toe??? 🤪

Good luck you need muthabingbong.

Value needs cleaning in missed point in correct perception fearing oneself in self accusation not understanding it all as to make for the challenge to be the same butt in different perspectives going on forever always knew and new butt in opposite direction making a twist literally to it all making it seem like all light showing the best possible outcome as to make the news positive about all good only in intuitive feeling and not actually experience directly in relation to memory and habit which is necessary spiritually but not physically as memory is a muscle literally.

You see.

Yes.

Guidance is absolutely all the time.

Just be dreamy as in poetic.

Kool and relaxed.

And you'll see all as that.

Also alone as you love and thrust yourself naturally butt can be modified as to make the challenge vary indefinitely.

Forever. Never dying.

Always leaving. To return when the time is due. By choice. And free will. regarding..

Fear and love 🌸

Green light is hearts perfect tune..
One of seven tones.

Butt also in scale and air and water and hair.. her hair... 💕💕💕

So beautiful...

See me see me see me! Is completely alright and should be seen by yourself.
Naturally in maturity. By self of self with self.

When not compromised by other self which is not the same experience making
inevitable consequences of light or dark in blended nuance of things getting
brighter

As brighter is good in relation to dark butt depends on when where how and all of
what makes you human which is knowing what is what in the what in relation to
good time which is pleasurable or not depending on how you take it and you allow
it and that makes for consensual which is easy to see for someone not having the
wrong view of theyself butt believing that instead of true image in relation to wrong
when right is white butt not black in a material conceptuality which spirit is not that
holds and carries butt not holds to tight ass to make things fantastic or even more
so when done correctly or else there would be a lot of pain naturally ass we enjoy
what is good.

And know this ourselves.

Butt can also defy ourselves spiritually as fantasy holds no limit to possibility butt
reality does in relation to being able to fantasies more ass to make reality more in
relation to what is needed in relation to a predetermined experience butt forgotten
ass long ass you birth yourself in pain and pleasure at the same time aSs you
experience all in the world soul at once but in a distance to make yourself unique
yet the same only not quite. Butt close.

To heart. Always. When appreciated.

And loved. (Dropped a YouTube follower, from instructions from Nolan) thanks
man! 🤔

He was pure virus.

Awww... my stomach..

Wow..

The whole colon was tensed.

No wonder the legs?...

So appreciate love is pretty clear I would say. Could have been figured out
differently I feel ass of now! Ass let go!

Is.

As.

As I am.

Ass I am.

Butt good.

As I am.

Right?

Direction? Correction.

Wow.

That good.

I made this.

Who?

Me?

Who are you?

I am you. Butt not quite. As we are one and the same. Butt don't get it. Butt does. Butt cannot see each other unless materially to make that happen. Or else it wouldn't happen as to make a physical reality.

And therefor making you spiritually more connected as in correct ass to feel ass much ass possible..

Don't tell the kidz. Don't instruct the kidz.
Don't show the kidz. Do NOT DO IT 2 kidz.

Ever.

This you should have understood?

Butt didn't ass it is the one living error that returns every time it needs as to make a challenge ass demanding ass possible.

Reaching the limit of how much one can stretch without braking.

Which is loving 

Pure again.

Go play with moma now 

Chromeo  Ha!

So good I can't wait to tell all!

Sex cannot be rewarded as an achievement.

Makes for a wrong conceptual take on what is emotionally best when feeling good which right about in in relation to self perceived pleasure and pain in relation to sensitivity.

Everybody is an angel helping each other.

Blessed with love.

By automatic lover

Nobody has to die

Own choice

Free will

Makes for humility

You will get a chance to make right for yourself at the end. I am returning a wallet now. And also freeing Daniel from the mutually shared guilt.

As we carry all together.

How right you feel is wrong will make the most hurt. Being surprised about yourself is good. But bot the wrong way as it invert ass fuck.

We cannot forgive crime against lover herself. That is unforgiven.

And that's alright mom.

Master projector.

Living lie.

Str8 to hell and back.

Done what is most wrong butt has no problem with it.

Bye Mom.

Feels better than my dad.
In a weird way.

She can learn to live with it. It causes no problem for her. But she loves kids.

Don't let her even look at them.
I wish so butt we can't let that be.

Until she forgives herself.
And that requires understanding.

Which is only all emotional in relation to pain and pleasure for all.

With me. Sure.
Butt with my and my sisters child.

No way.

That's what jail is for.

As far away from pure love as possible.
Only not. But you get that now.

All the sex/love? Becomes the resistance.
Maximum confusion/twist to real love.

False comfort works both ways.

That's how I got you before I smacked your head. A hair from what you've done in an infinite universe.

Of love 💕💕

Actually.

Making the deed done as it is both pleasure and pain depending on maturity and this perfection in self acceptance regarding all

True reflection.

Only in complete contrast.

And there you have it 😊✅

Meet the fear with love and all is resolved.
In personal. Person to person. As close ass possible. Without actually touching.

Except that smack over the head.

Good one! God one! Smack in head.

Good on you.

Correct yo mind!

I could do this because I lacked that error.
Butt was real close in misconception butt as you can see did not understand that
as that would imply the error.

Coarse Corrected Self!

The child is the most devious one as the comprehension is farther away making it
close to father. Tricky.

Butt close.

So you cannot judge them by age anything.
Just in relation to comprehension which is in current maturity and emotional
insight.

Having a development of let's say 5 years over the coarse of 66 perhaps?

You see. Creating that stage of development. In relation to what isn't stretching it
too far.

In relation to tolerance in pain. Before shutting down in to much fear. Butt damn
close to make for a large impact in need.

Am. I. Finished. Now???? With this????

Can I have a fuckin' snooze?

Secret agent angels in bizz ya'll..

For real.

So so good.

Everything is the equivalent of one arm going straight up to the elbow butt without any preparation or own will when the body is at least ready for it. No hesitation.

No remorse.

This will now happen to them.

Butt in the heart. Ass this becomes just in a balanced universe where even shit is good. But not eatable. Don't get things twisted.

Eating shit ain't that bad compared to stealing someone else's spirit in taking the shit in abuse complete in relation to comprehension of who I am and not knowing anything else at all besides oneself.

Most pain.

Chock! Bang! Bang bang!

Shot thru the heart! And your to blame 'cause you give love a bad name!!!

Wrongfully accused in wrong self perception created by other in opposition to true self image.

Dark override.

But fixable. Like this.

As she forgives herself I am free.

Or as she dies.. behaving like a true false piece of shit asshole. Worst kind.

If you learn to lie from your own mother as a daughter. You carry this with you until moma becomes true herself.

Because it's the deepest hurt you can receive but not tell yo mama about. As she won't accept it ass true. 'Cause she would have to be true herself for that in order to give what she has in relation to herself which is forgiveness and thus standing up for herself in all honesty

Don't like. You da muthafucka.

In false superficial robe.

Royal pain in the ass.

Bitch ass nigga.

Slavery.

Cleared.

Good. 🙏

That was a big one.

What is left?

Can I do that? And survive?

.. I guess?

Shot!

Bang!

Give me let's go Corleone!

... ✨

Holocaust yes.

What about it?

Terrible yes yes.. ain't no question..

Ah feeling shame as in guilt over projected shame which becomes guilt in reflection.

Everything is in contrast in relation to maturity in relation to itself.

(I went out. Smooth bounce to my back)

Feels great..

My sister was in on everything.

Just called me to threaten my life as she invited me over to talk. All planned to stab me directly.

Can you imagine how much I feel like sleeping somewhere else tonight?

And instinctively with my mom. And perhaps have my sister there. And to have dad come over and protect us. From love?

Judas.

Last minute.

Before flip. To major. Instead of minor.

In relation to good vibration which is perceived emotionally. Humane. Human.

All peaceful and good. When correct in relation to a loving being. When correct in relation to sex and love in complete separation.

Like I am.

I am still scared as in careful and I do not want to do wrong. That's what I am getting now..

I am not wrong. I have confessions and my intuitive 100% truth. I doubt bot not.

Let's just hope the cops can help me find a place to stay.. waiting for them now.

They fear getting caught as this will free them butt cannot comprehend that identified liars. Far from correct vision.

I'm at psycheward help.. emergency.

High blood pressure.

Almost vomited out of fear..

Hope I will get to sleep here tonight.

And hopefully until Monday as this is when I will be able to press charges.

I just asked to be in a close room until the Doctor comes. In case my sister would appear here in complete panic..

I moved my chair to sit in the door-opening looking out. I know they won't let my sister in I told them.. but I am afraid of the Doctor coming in to suddenly as I feel that it would be enough to blast my heart.

I am happy for mom. Becoming free.
She deserves it... anyway.

On coarse. All giving. All forgiving.

Who da fuck saw this twist?????

A tight hold. Projected on me.

Making me go thru the guilt of the world spirit.

Psyche staff just told me in question why I could not sleep at home. And that they wuz gonna tell the Doctor how I feel.

I am not surprised.

Being empathic is good over logic working with humane beings. Which does not require the same xperience. But some as to relate to fear. And know what love is.

I told him to stack chickpeas at a supermarket instead. No offense.

I love ya'll. But this is not a job.
As in a material engagement.

Let's see what kind of Doctor arrives.

I will stay open for this humane being as well as to give them a chance. No one human being is the same.

Doctor theyself too.

I am.. COLD!

Shaking..

They took my sweater.

Haha what da fuck do you do about that.

Got a blanket!

From a lady 

Seen Doctor now. Kool guy.

Imagine moms visions as she was told she was gonna be a grandmother...

Jesus...

I texted my sister:

Now the police and psyche emergency knows all about you two.

Confess 2 God.

.. It's out of my hands.

..chickpea guy. Greylien.

I feel like Mary.

Not believed.

Only slightly.

But not by self.

God 🙌 ✨ 🙏 🌸

Psyche said no.

Social service protected stay said no.

So I am all out.

I was let out. I asked to borrow the toilet before I went out. I was denied.

What to do.. I am not safe at home..

I wanna resign from my Swedish membership.

Which is a product of projected guilt in lack of humility making a human being more understanding in relation to others coming from a low perception of self worth.

Butt all good. In their false image.

I am. Faith.

We can't get enough until we get it all.

Butt in the correct emotional sensory perception.

God will make it all alright as God is love.

Very easy to get beaten up now from attracting fear walking thru the city.

Let go..

It is still a success mission.

That's joy.

It's not enough to confess. You also have to forgive. I forgive all.

The lady with the blanket judged me as hell.

Judging herself.

What is in storage one wonders?

Bringing shit close to heart is what they tried in misconception of theyself.

I feel so.

You see how judging and prohibitions makes from ultimate disaster?

- What do you mean? There was no financial loss here.

....

Love for money but also in guilt not understanding what love is.

All is love.

Not attentive as God and the name of love's miss-use to gain logical power killing love.

Well tryin'..

I just walked past someone in the shadows looking like I could imagine Andi to look like. In height build and hair. Felt very lovely now..

Not at all sexual. Just warm love.

I will go home now.

And face the music of my perfect machine of love that cannot die. Right? Right.

The mistake my mother did.

Was to send me to therapy from the age of 7 talking about my dad. Which started it all as to find the truth.

It was for my own good on coarse.
Butt her intention was to murder still.

Moms primary explanation was that baby's need cleaning there. They don't.

A child full of shame takes the blame in guilt.

I know a few of those kids.

From kindergarten meetings and school.

Wonder what they've been thru?

I am God love herself 

Earth angel.

Clean slate.

For a greater good. But most in the hood.

As they come..

Damage report coming to an end.. and..

Life goes on..

How many brothers and sisters fall victim to they folks?..

Cousin IT.

For real.

.. I wish Andi was here..

She's all...

I need....

To get by... yyy....

Please don't support abuse of love.

How do you know that?

Sex first. Talk later?

Nah..

I'm gonna see if I can snatch an Apple..
It's not stealing. Nobody owns love.

I can not sleep.

My mom has a spare key.

I am outside my apartment. Looking in to see movement.

I made it in. With attack ready all over.

God cannot be defeated. True.

But I can still get hurt.

Death becomes her.

No fun at all.

Thank you God.

For all that I have received.

As I never gave up..

On love 🌸🕊️💕

The thing about as far up the butt in love as possible is a contrasting experience to the most hurtful one in the wrong context.

You don't have to do it. Butt it all works out. Everything has an origin and an answer. Everything is in contrast. And everything is perfectly alright. Given the right context.

What is that? You better feel as to know. You better not bot lie.

Know what's what. In the butt 🌸👊💕🙏

Everything develops into more in the right context ass to feel good. Ain't nuthin' wrong with that. Love all you are. Starts with self acceptance which is a given not questioning yourself.

Primarily you existence. Which can be taken for granted in the reflection of gratitude. You gotta sleep sometimes. Rest assured.

If anyone perceives my threatening someone physically in a vindictive way you are a complete idiot.

Never hurry or force anything.

Like taking a shit. You give a shit. And you most certainly do not have to.

It's fine.

Free will all the way. Don't just say things.

Words have power.

Tremendous power.

Like I am good.

Like.. I am.

GOD

Bad weather does not exist.

All is necessary.

All is Love.

God is Love
Love is God.

Peace!
